COURTESY DURING VISITS

The Department intends to maintain visiting programs which help offenders preserve positive ties with family and friends. Cooperation by all participants is encouraged. The following visit room guidelines will help to ensure that visits are a pleasant experience for all participants:

- A brief hug and kiss (i.e., 4-5 seconds in length) are permitted at the beginning and conclusion of visits.

- In addition to brief, appropriate contact at the beginning and conclusion of each visit, an offender may have physical contact with his child(ren) up to age 8 in a manner that respects the child's feelings and physical boundaries. Facility visiting staff will monitor the child(ren) for signs of disengagement (e.g., pulling away, crying, screaming, etc.) and will, if appropriate, instruct the offender to discontinue the physical contact or return the child to the guardian.
 - The child may sit on the offender's lap.
 - The offender may show affection toward the child (i.e., hugs or kisses).
- During the visit, the only physical contact allowed between offenders and adult visitors is holding hands with hands in plain view on or above the table top. As visiting areas are family friendly environments, caressing of any kind will not be allowed.
- Conversations should remain quiet, without harsh language or swearing, encouraging pleasant and caring family interaction.
- Visit areas are provided for all visitors. Please use furnishings for their intended use.
- Because time is limited, your focus and interactions must remain between the offender and his own visitors and family. Speaking to other visitors or offenders will not be permitted.
- During visitation, debitek cards may be used for vending machine purchases by visitors only. Visitors are reminded to take all debitek cards with them when they leave.
- Children must be under direct supervision and within sight of the visiting parent or guardian at all times, including children using the restroom. Offenders may supervise their visiting children while the adult visitor uses the restroom. Roughhousing and horseplay will be stopped immediately by the visiting parent.
- Verbal corrections and time-outs are the only allowable forms of discipline during visits.
- Showing affection, holding and playing with visiting children promotes positive family interaction. Please remember to be considerate of other visitors and your public surroundings.
- Grooming of children's hair may be done during visits.
- When changing children's soiled garments, please use the provided changing.
- Visits may become emotional at times. If this happens, staff will check in with you and are available to assist as needed.
- Please put away all items used during visits (i.e., games, toys, books). Please throw trash and recyclables in provided containers at the end of your visit.

Suggestion/Comment forms are available in the Visit Room.
